Organic Grower Opportunity in southeastern Dane County: 2 Acres & Potential for Contract with Local Buyers

The Friends of Silverwood Park (FOSP) has an immediate opportunity for a long-term lease of uncertified, but functionally organic land for produce production during 2017 and in the future.

The lease requires a minimal commitment to public education efforts at the Park - 8 hours annually.

For more information contact info@silverwoodpark.org or

email FOSP Board members:
